

BAWER COMBO PALLET BOX

BAWER COMBO BOX is produced in powder coated electrogalvanized steel. To optimize the inner space, it acts as euro pallet-holder from one side and equipped compartments on the other : Options can include toolbox, hand wash tank, fire extinguisher box and tyre replacement kit. Powder coating guarantees high resistance to corrosion.

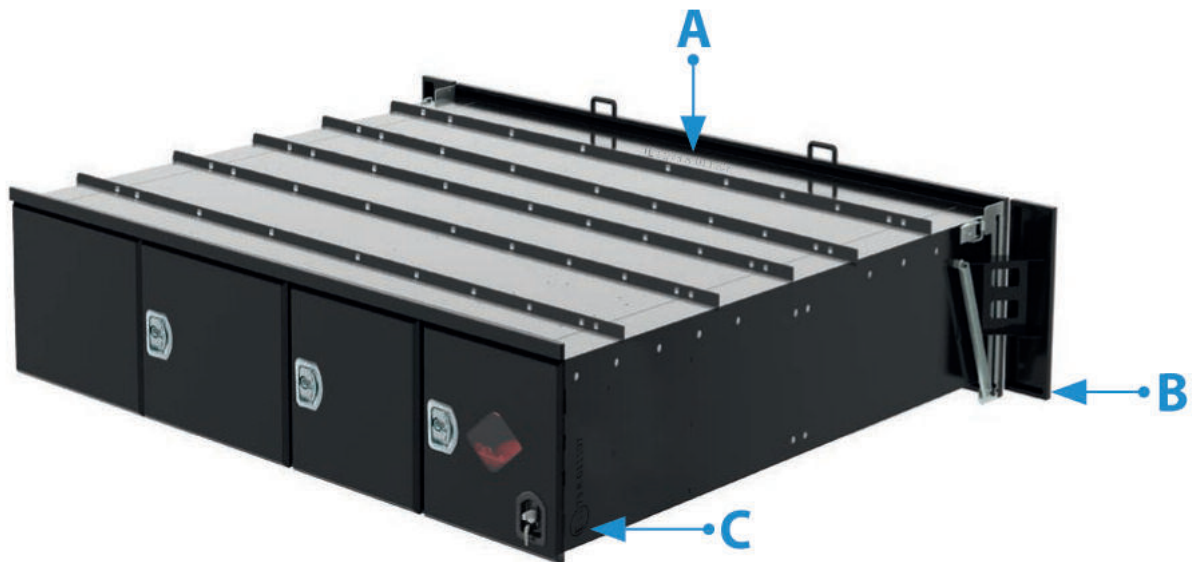

Pallet Capacity	Dimensions mm			Pallet Box Compartment	Tyre Size Dimensions
	L	H	D		
18	2750	710	2425	2630 x 600 x 1210	385/55 R22.5
